

A prayer you can say:

Jesus, hearts are a symbol of love. Your Sacred Heart is a symbol of how much love you have for us. If I drew my heart, to show you how much I love you, it would be very big. I love you with my whole heart. Teach me how to love you more. Amen.

Circle the ways you can love Jesus:

yell at neighbors

feed the dog

go to Mass

finish your homework

help your Mom

say your prayers

forgive someone who has hurt you

watch videos that you would be ashamed to have your parents know about

use God's name in vain

help out your younger sister with a hobby

offer to babysit

throw food

help set the table

wake up the baby

share your Game with a friend

ask Jesus for help with a decision

When you love your neighbor, you are loving Jesus!
