

Make with Mom or Dad!

Make your very own **Clay Mary Statue**

Now you can create your own statue of Mary to put in your room!
(You'll need help for this.)

Ingredients:

measuring cups

measuring spoons

waxed paper

saucepan

1 cup all purpose flour

1/2 cup salt

* 2 teaspoons cream of tartar

1 tablespoon cooking oil

1 cup of water

2 tablespoons of glitter

a few drops of blue food coloring

1. MIX dry ingredients in a medium size saucepan, then add the oil and water.

2. ADD food coloring slowly to get the shade of blue you want, stirring constantly over low heat until your mixture becomes a ball in your saucepan.

3. REMOVE from the pan (be careful, it's hot!) and place on a large sheet of waxed paper. Knead in the glitter. Work and shape your clay into a statue of Mary. You can use a toothpick to trace a head, eyes and mouth on your statue.
